Southern Baptist Church

What are we looking for in a pastor?

We would prefer someone between 30 and 50 years old, but aren't against considering candidates outside of that range. We want someone who has completed seminary, and has experience leading a church.

The church body has expressed a desire for someone who excels at sermon preparation and presentation, who will actively participate in church meetings and functions, and who is capable and willing to engage in visitations when necessary. We are looking for someone who has a real heart for personal evangelism, and a desire to promote church growth.

Thank you.
